## 3. SIZING INSTRUCTIONS

Measure your wrist circumference with a tape measure, or for a more accurate indication of fit, print the watch diagrams from the preceding pages and follow the provided instructions.

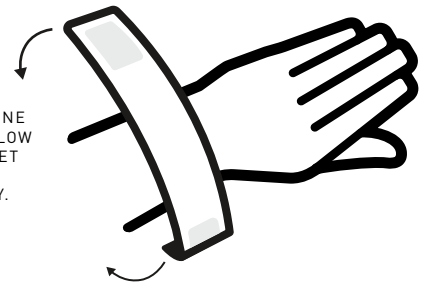

Print the appropriate page at 100% in portrait orientation on a sheet of 8.5" x 11" copier paper.

Cut out the watch outline.

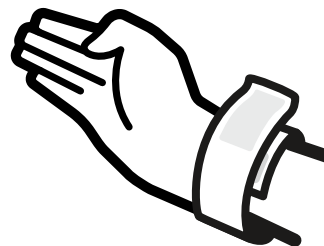

Wrap the paper watch outline around your wrist to simulate fit.

A proper fit will have the Velcro areas (grey boxes) matching without too much overlap.

WRAP THE PAPER OUTLINE AROUND WRIST AND ALLOW THE GREY BOXES TO MEET TO INSURE THE VELCRO WILL SECURE PROPERLY.

← TOO MUCH OVERLAP. PERHAPS CHOOSE A SMALLER SIZE.
